Magnifice domine domine frater honoran-
dissime. Proficiscentes isthic hoc servitore
meo Carnilowski, nolui illum vacuum
literarum mearum ad vestram Magni-
ficentiam venire ad quam tamen non
habeam nunc ullum scribendi argumen-
tum malui tamen literis carere ar-
gumento, cui nuntiavi literis. Ego Dei
benignitate jam ad portum meae bo-
nae valetudinis pervenio, restat Dunta-
cat ut me ex hac longa et molestissi-
ma periclitatione resciam et confirmem.
Id quod facile assequi possem, nisi do-
mini Consilarii qui Cracoviae sunt me
multis gravibus reiublicae negotiis oner-
arent, quae ad me quotidie deferunt,
volentes ut illis consulerem, qua re
multum perturbationis et inquietudi-
nis mihi afferunt, et miror pluri-
mum, quod tam parvam mei, et hu-
jus adversae valetudinis habent rationem
scientes cum sanus dum ejusmodi et mul-
to majora negotia absque cujusvis ad-
miniculo causa reiublicae et amore
Principis ac Benefactoris mei me ex-
pedire volere.

The first of the year
is now before us
and we are glad to
find that the
winter has been
a very successful
one.

The weather has been
very good during
the winter, and we
are glad to find
that the crops are
all well, and that
the winter has been
a very successful
one. The weather has
